

South Australia

Life and Mission at Present.

9 small groups of members supporting one another in living the mission statement

- standing with the poor and marginalised and being a voice for them
- promoting authentic relationships within families, in the workplace, in public life and in the Church, across culture
- listening to young people, respecting their experience, and finding ways to accompany them on their faith journey
- developing and offering programmes of formation
- living in God's creation in a way that respects and protects it.

Challenges / Opportunities

New Groups

The necessity for experienced Guides to disengage from new groups elicits leadership from within.

Clare community rallying round 3 Magis Experiments presents the opportunity for beginning two more CLCs as on-going formation in the small group is sought.

Seniority

Young, aspiring to quality of presence which senior members of CLC inspire. How do the meetings between age-groups occur as age prevents older members attending meetings outside their small group?

Relationship between groups formed in and valuing CLC process in the cohesion of their small group, but who questions their on-going relationship with CLC.
