

Vic Exco News Sheet

June 2023

Victorian Regional Assembly

It is most important for our community to gather every two years to reflect, report and go forward with a newly elected Executive to coordinate and respond to the spirit moving in our CLC community.

We have much to celebrate as CLC and it is always a special grace received when we meet together.

Feedback

As CLC we are called to deep reflection and action in the world.

We have been invited to prepare for the World Assembly in August by using the four reflections, *Preparation for the World CLC Assembly: 'Discerning Paths for Hope' 4 Reflection Sessions for Groups*, and to utilize the themes for our own growth in faith and action.

Vic Exco is looking for any feedback from groups or members who have used the reflection sessions. Please email your comments to vic.exco@gmail.com

Calendar Events

We have participated in and enjoyed some successful CLC events via Zoom and face to face this year, but sadly one of our annual highlights, St Ignatius Feast Day in the Pub has not eventuated. We look forward to gathering later in the year for events to be organised by groups in the CLC spirit of *Shared Responsibility*.

R.I.P. Fr Patrick

A fitting CLC memorial service was held recently via Zoom to express CLC Australia's heartfelt gratitude for the life of Fr. Patrick who gave so much to help build and sustain CLC for many years, both in Australia and internationally.

We are encouraged to include a simple Acknowledgement to Country at the beginning of our CLC meetings.
